 - A. Take medications as prescribed.
 - B. Adhere to the dietary plan.
 - C. Follow the treatment plan.
 - D. Keep a notebook.

**Kidney School – Module #3
Learner Evaluation Form**

To assist us in evaluating the effectiveness of the educational activity, please complete this evaluation form by circling the appropriate rating. To receive continuing education credit, this form must be completed and returned along with the post-test and CE Certificate of Participation.

General Evaluation:	Strongly Agree	5	4	3	2	1	Strongly Disagree
1. The teaching/learning resources were effective to complete this self-study	5	4	3	2	1		
2. The subject matter presented is relevant to my current practice	5	4	3	2	1		
3. The self-study format was effective	5	4	3	2	1		
Comments:							

Upon completion of this activity, I am able to:	Strongly Agree	5	4	3	2	1	Strongly Disagree
4. List the key members of the chronic kidney disease (CKD) health care team	5	4	3	2	1		
5. Identify the patient’s role on the CKD health care team	5	4	3	2	1		
6. Describe the roles of the team members that are part of the dialysis team	5	4	3	2	1		
7. Identify three ways that patients can take responsibility for their health care	5	4	3	2	1		
Comments:							

The following were disclosed in writing prior to, or at the start of, this education activity.

- | | | |
|---|-----|----|
| a. Requirements for successful completion | Yes | No |
| b. Conflict of interest | Yes | No |
| c. Relevant financial relationships and mechanism to identify & resolve conflicts of interest | Yes | No |
| d. Sponsorship or commercial support | Yes | No |
| e. Non-endorsement of products | Yes | No |
| f. Off-label use | Yes | No |
| g. Expiration date for awarding contact hours | Yes | No |

Please refer to CE Credit information page on the Kidney School website.

Did you, as a participant, notice any bias in the presented material that was not previously disclosed? Yes No

If yes, please describe the nature of the bias. _____
